Mike Smith called about updating his living trust, drafted by another firm in 2015. He recently purchased second home in Florida which he needs to add to his trust. He also has questions about adding grandchild as beneficiary. Mike prefers afternoon appointments next week.

Agent

Thank you for calling Anderson & Mitchell Estate Planning. How may I assist you today?

Mike

Hi, yes, I'm hoping to update our family trust. My husband and I set one up about 5 years ago, but we'd like to add our grandchild as a beneficiary and we bought a vacation home that we need to add.

Agent

I'd be happy to connect you to an attorney to get that process started. First, may I have your name?

Mike

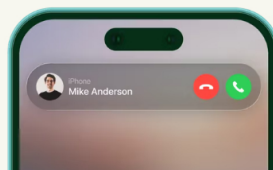

Yes, it's Mike Smith.

"About 60% of my calls were spam. I tried over 40 AI answering services. Upfirst is the only one that sounds more like a real person than every other program out there."
