Mike

Hi, yes, I'm hoping to update our family trust. My husband and I set one up about 5 years ago, but we'd like to add our grandchild as a beneficiary and we bought a vacation home that we need to add.

Agent

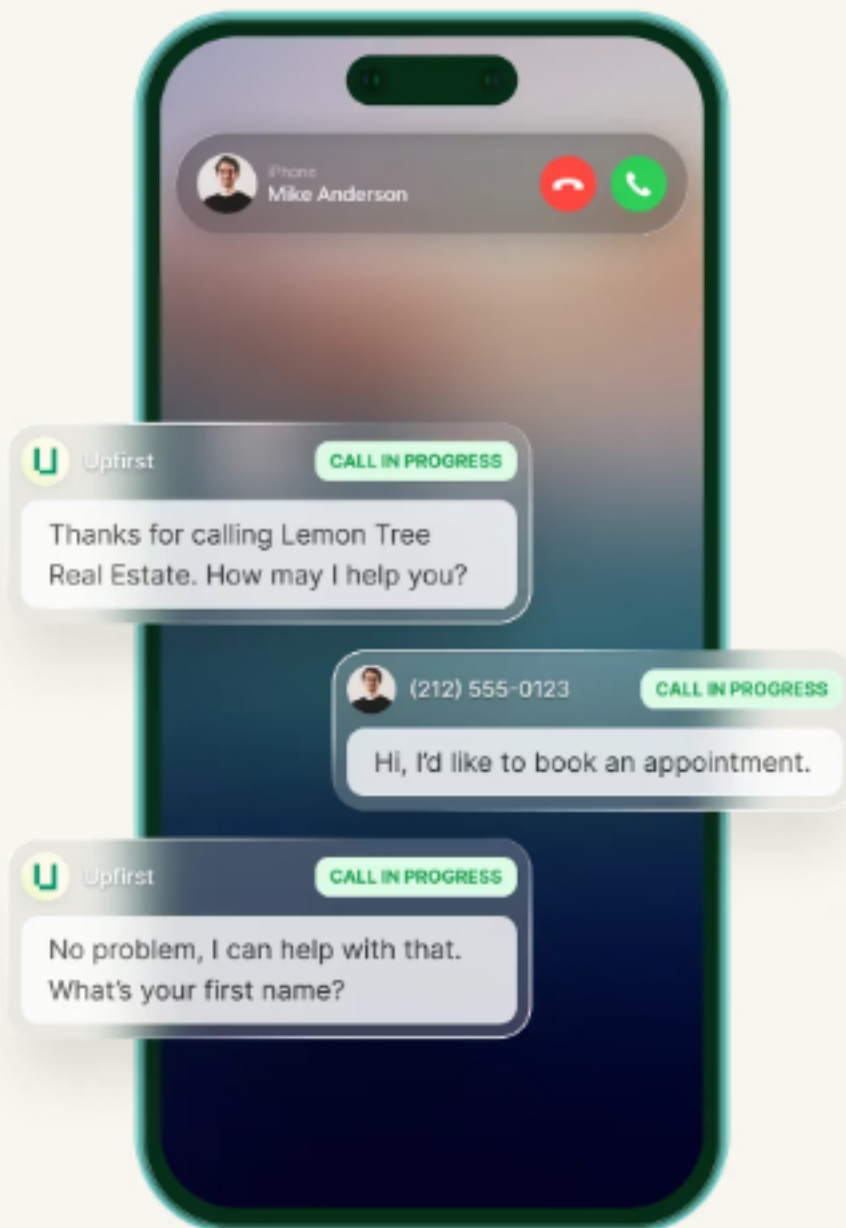

I'd be happy to connect you to an attorney to get that process started. First, may I have your name?

Mike

Yes, it's Mike Smith.

WHY DID WE BUILD UPFIRST?

A phone call is a first impression. No one likes being sent to voicemail — but hiring full-time staff just to run the phones is expensive. For small businesses, it's just not an option.

That's why we created Upfirst: to make it easy for companies of any size to deliver great customer experiences using AI.

With Upfirst, every call is answered, every lead is captured, and every

customer feels valued.
